Applicant and Landowner Agreement

- 1.The applicant/landowner agree to implement the above practice(s) according to NRCS standards and specifications and conservation plan.
- 2.The applicant/landowner certifies that he/she has control of the above tracts for the term of the required maintenance period.
- 3.The applicant/landowner releases the SWCD or sponsor from any and all liability.
- 4.The applicant/landowner accepts any liability, financial or otherwise, in installing the practices described above.
- 5.The applicant/landowner will provide proof of completion through receipts, photos, etc.
- 6.The applicant/landowner will allow a person from the SWCD or a partner access to the property to confirm completion of the project.
- 7.The applicant/landowner understands that the total payment allocated may not be the total payment amount received. Actual payment received relies on quantity installed and actual receipts.
- 8.Eligible practices and cost share payments are located on the 14-Mile Creek/Goose Creek Watersheds Cost Share brochure.
- 9.Maximum total payment is \$15,000 per participant.

I, _____, a landowner in Clark, Scott &/or Jefferson County, Indiana, hereby make application to the Soil and Water Conservation District of Clark County for assistance to install/apply the conservation practice(s) listed on this application. Furthermore, I agree to abide to the above conditions of this agreement.

I, _____, the operator of the property described on this application, hereby make application to the Soil and Water Conservation District of Clark County for assistance to install/apply the conservation practice(s) listed on this application. Furthermore, I agree to abide to the above conditions of this agreement.
